Abstract: The Fund for the Improvement of Postsecondary Education (FIPSE) works to improve postsecondary education through grants to postsecondary educational institutions and agencies. Such grants are awarded to non-profit organizations on the basis of competitively reviewed applications submitted to FIPSE under the First in the World (FITW) Program. This collection includes a performance report for use with FITW programs 84.116F and 84.116X. We request clearance of one performance report for FITW programs 84.116F and 84.116X that will serve the dual purpose of an annual and final performance report. In this collection there is one (1) form, the performance report for FITW programs that includes a FITW program burden statement. The collection of the requested data in the performance report is necessary for the evaluation and assessment of FITW-funded programs and for assessment of continuation funding for each grantee. The current request for revision to the collection is to allow the grantees to use this report to complete a final performance report as well as an annual report.
